SECOND ASSENTED MOTION TO EXTEND *NISI* PERIOD

The Parties in this matter respectfully move for an Order extending the nisi period allowed in this matter until January 12, 2009. The parties have been working to complete settlement documentation but several issues, including the weather, the holidays and vacation schedules have made logistics difficult. The upcoming vacation schedule of counsel will frustrate immediate progress, and therefore the Parties request a date for completion of settlement arrangements for January 12, 2009 or before.
